

David Platzi (Presenter)

The main window displays a UML diagram with several classes and their relationships. The classes are represented by blue boxes with text inside. The relationships are shown as lines with open circles at the ends. The diagram is complex, with many classes and connections. The interface includes a menu bar at the top with options like File, Edit, View, and a toolbar with various icons. On the right side, there is a grid of participant avatars. The avatars are labeled with names and initials: David Platzi (green circle with 'D'), Marion Pasquel (orange circle with 'M'), Marion Pasquel (blue circle with 'M'), Brandon (video feed), and Dennis Pasquel (green circle with 'D'). At the bottom, there is a status bar with the time 20:22 and the text 'kzo-oaom-moy'. The bottom right corner has a row of icons for chat, share, and other controls.
