Hello, Web Developers!from <i>Lisbeth Tipan</i>

localhost:3025
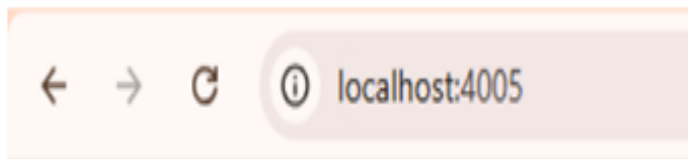

Hello, Web Developers! from Lisbeth Tipan

```js
Import express from "express";
const app = express();
const port = 3005;

app.get('/',(req,res)=>{

        res.send('Welcome to my server!');

});
app.listen(port,() =>{

    console.log(`Server is running on port ${port}`);

});
```

```
